Re: **Approved Global Law Trials**

Acting in accordance with the Bye-Laws and on behalf of Council the World Rugby Executive Committee have agreed to approve the Global Law Trials set out in **APPENDIX ONE**.

The implementation date for the approved Law Trials set out in **APPENDIX ONE** are:

- *August 1, 2017 – Northern Hemisphere*
- *January 1, 2018 – Southern Hemisphere*

These closed trials will not apply for the Women's Rugby World Cup as the tournament is so close. However the November window games will be played under these laws.

A presentation explaining the Law Trials has been prepared and may be downloaded from the following link: <http://laws.worldrugby.org/?domain=20>

We look forward to receiving the full results of the trial upon its completion.

Please note that a press release will be issued confirming the above tomorrow and that all public commentary should be embargoed until that point

Yours sincerely,
